Student Congress fights for campus smoking area

Congress made progress this year. They gave more money to the girls' sports department. Congress supported voluntary P.E. for seniors and painting of the school building a uniform color. There was much debate over the rights of students to have smoking areas on campus. Student Body President Mindy Yamaski's goal was for a more beautiful campus.

Teachers honored

Two new buildings were dedicated to three former teachers of Tracy High, Mary Hawley, Kenneth Westlake and Emma Baumgardner. The ceremony was held October 27 in the Emma Baumgardner Theatre and Fine Arts Building.

Mrs. Baumgardner, Miss Hawley and Westlake's widow Mrs. Myrle Westlake and his son Kenneth Westlake were all present for the dedication. Tours of the entire project followed the ceremony.

The buildings, which were part of a $2.2 million construction project completed last summer, were dedicated to the former teachers by Superintendent James French.

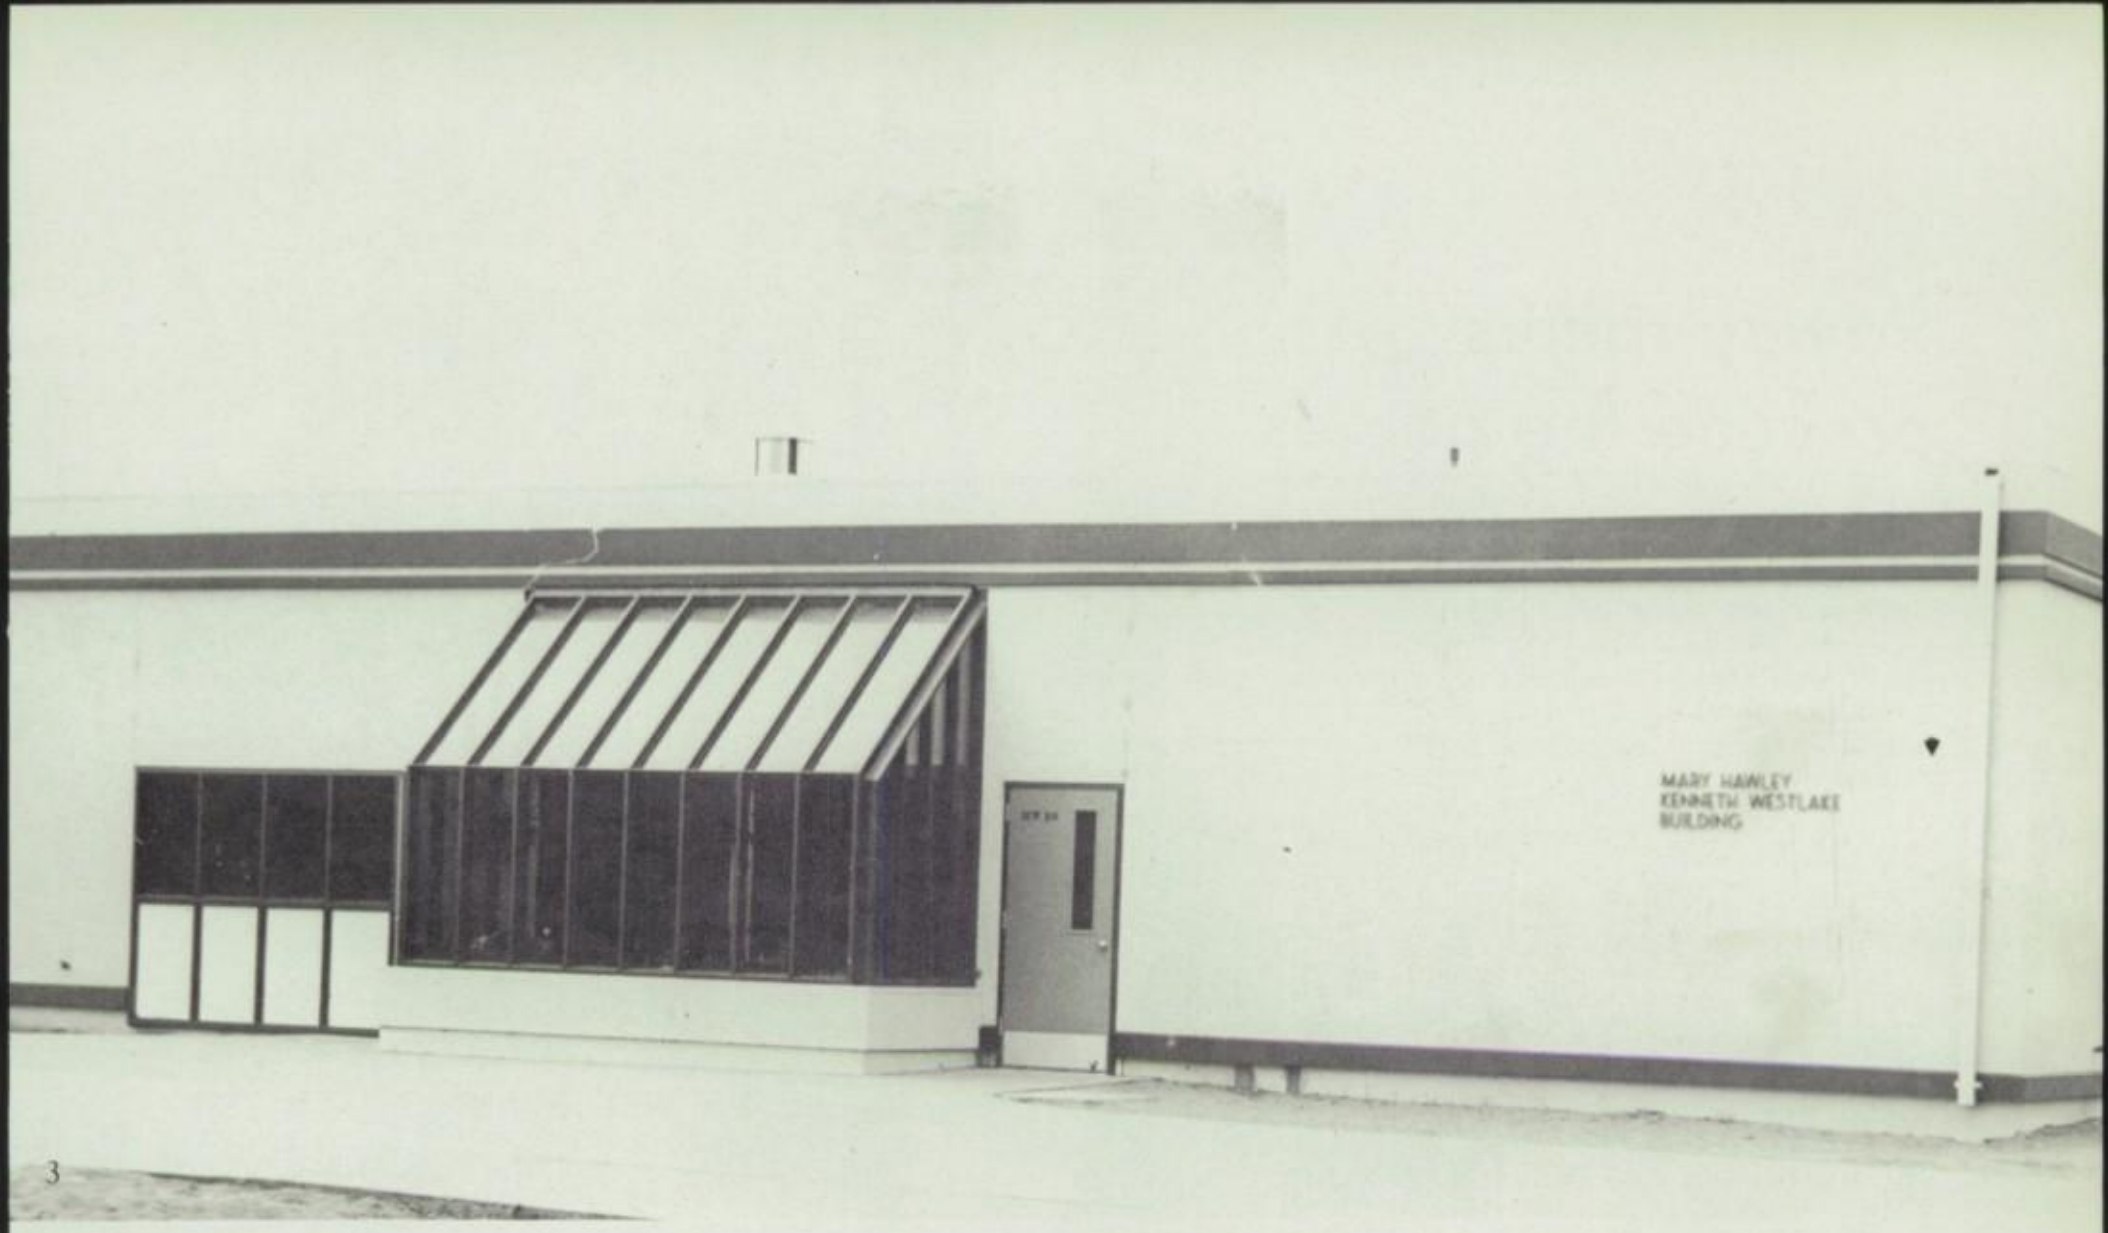
2



Emma Baumgardner taught speech, drama and English during her 26 years at Tracy High. She wrote the study course for the first drivers education class to be given in California.

During World War II she kept tabs on all Tracy men in the service, writing them notes herself and organizing letter writing among Tracyites.

Kenneth Westlake joined the Tracy High staff in 1925. He started as a physical education teacher. He taught photography and science classes.

Mr. Westlake was a hard working teacher and got along well with his students.

Some of his many contributions to the school were the installation of the first public address system in a high school in this area and the organization of the Science Club.

After 34 years as a TJUHS math teacher Mary Hawley retired. She joined the faculty in 1928. Before coming to Tracy she taught in Raymond, Washington, Corvallis, Oregon and in Grass Valley.

While at Tracy High, Miss Hawley was much respected by both fellow teachers and students. She was a great inspiration to many students and helped young people make it through both their high school and college years.

Rowdy rallies precede the games

Relays, routines, and yells, held the excitement and anticipation for the students who attended rallies. Thanks to Rally Commissioners, Lisa Gabbert, Kim Gaines, and Julie Peterson, we had a variety of competition.

We can't forget the songleaders and cheerleaders who inspired us with their colors of green and gold. Posters and faces of all kinds flooded the main gym where the excitement of the game first begins.

Let's go dancing

Dances are held in the cafeteria after Friday night games and for special occasions. Local Bands play at these dances. Recreation Department sponsors the dances held after the games. Only students attending Tracy High may attend these dances.

Five annual dances are held during the year; the A.F.S. dance, Freshman Flop, Sophomore Hop and the Junior-Senior Ball which takes place in the spring and for the first time was held off campus in the Tracy Inn Gold Room. In order to attend, at least one member of each couple must be a junior or senior. Dress is semi-formal or formal.

Girls' League annually holds the Girls' Treat Dance where the girls get to invite that favorite guy to a night out. This semi-formal dance is held in early December.

Tracy's Junior Miss Virginia Mitchell

Virginia Mitchell won the title Tracy's Junior Miss in competition with 19 senior girls. With the title she received a hundred dollars to buy a wardrobe for the California Junior Miss Pageant held in Santa Rosa. Virginia made second runner up for having the most spirit in the Santa Rosa pageant. The scholastic award went to Virginia in Tracy's pageant.

Virginia was not only active off campus but on campus as well. She was Secretary of CSF, a member of congress and the Spanish Club, the speech team captain, plus Girls League representative.

Runner ups in Tracy were Staycee Mancebo for first, Janice Yrigoyen for second, and Traci Norris for third. Best talent award went to Staycee Mancebo, Poise and Appearance went to Mercy Zaragoza, Physical Fitness and Spirit of Junior Miss, Janice Jeffery.

The pageant was held on campus in the Emma Baumgardner Theater. Tracy's pageant was chosen as having the best show out of the 76 cities that competed in the state of California.

Janice, David at Girls', Boys' State

David Weisenberger and Janice Yrigoyen were representatives to the American Legion sponsored leadership and government training program. Matt Smith and Virginia Mitchell were originally chosen but were unable to attend.

During their week long summer conference, David and Janice learned more about the government and how it is run. They passed bills and resolutions which they felt would help teenagers including bills on abortion, bicycle routes and the right of 18 year olds to vote. They also ran for office. Janice was elected councilwoman and clerk. David was elected head of the election board. At the end of the week, the American Legion Auxilary chose a few of the best bills and presented them to the U.S. Congress.

Muge Sakaroglu lives with the Greenwoods

Muge Sakaroglu, AFS student from Turkey, has been staying with the Robert Greenwood family for the past 10 months. Muge enjoys a variety of activities such as art. She was very active in Girls League and was an Asilomar delegate.

For the first time in her life Muge rollerskated and not for a short time but for 10 hours. The skateathon was to raise money for the Asilomar conference. She loved the spirit the students had during Spirit Week and took part in many Homecoming projects.

Muge has a friendly, witty personality with a lot of get up and go! The people who had the privilege of meeting her agree that they had the feeling they had known her for years. Everyone is sorry to see her leave but the memories will stay in our hearts.

Brazilian students arrive in January

Paulo Barriera, Solange Casiolatto and Meyleng Perriera, Youth For Understand students from Erazil for the past six months, have given our campus a Brazilian atmosphere.

Paulo, a 15 year old from Goiana, Brazil stayed with the Albert Bogetti family. He enjoys a variety of sports such as football, volleyball, and pingpong. He also likes music!

Solange, a 17 year old from Arachtuba, Brazil, stayed with the Wesley Cagle family. She gets a kick out of volleyball, swimming, listening to music, reading novels and poetry. She enjoys playing and teaching the piano.

Meyleng, a 17 year old from Rio de Janeiro, Brazil, stayed with the Charles Garcia family. She likes jogging, modern ballet, sunbathing and the beach. She enjoys talking to people and going to new places.

Work Experience, earning, learning

Students enrolled in Work Experience participate in a real working situation at a job that is worthwhile and of their own choice. These students receive school credits for their labor.

Work Experience students are required to attend related instruction and report to the work experience coordinator.

They are graded by a school representative, evaluated by the employer and are required to maintain a record of how many hours and days they work.

Bigger, better book

Yearbook staff decided to carry on the Bicentennial celebration with the theme "Spirit of 76". The staff decided to have a bigger book and for the first time in Tracy High's history we have the opening section in special effect paper.

Mrs. Souza, El Portal advisor, worked extra hard coming in after school, evenings, and during holiday vacation.

Krista Paris editor of the yearbook kept on her toes making sure the staff met every deadline.

Photographers are the backbone of the yearbook spending many long hours and doing tedious work in the photograph lab. With the work and patience of every person on the staff they are able to produce this yearbook for you.

High interest topics, year's goals for S&A

Scholar and Athlete goals for the year were to cover more state and national news, also to write feature coverage on topics of high interest to the students, such as girls sports and the problem of high school students drinking alcoholic beverages. Special issues were published for homecoming, Christmas, graduation and dedication of the new building.

Scholar and Athlete went through some changes this year, with a larger staff, they rotated staff positions. There was a small change of layout format in rounding the corners on the picture and the nameplate.

Steve Davanis and Linda Redabaugh served as co-editors, and represented Tracy at a week long journalism workshop sponsored by Cal State Hayward. Class members attended a three day Spring News Conference in Portland, sponsored by the National Scholastic Press Association.

Scholar and Athlete is evaluated yearly by the NSPA and Columbia University Scholastic Press foundation in which they receive high ratings.

Orchestra tunes up

Orchestra gave two concerts this year. One was in the cold and brisk month of December, close to Christmas. The other was given in the spring.

Orchestra went on field trips to the San Francisco Opera House to listen to the beautiful and moving sounds of the symphony. To raise money for these trips they held bake sales and car washes.

They participated in an Orchestra festival in March. They also attended a Solo-Festival where the students play solos and quartets.

At the end of the year Orchestra plays for Graduation.

Singers of Tracy

Singing has become popular with many Tracy High students. At present there are four singing groups, Concert Choir, Chansons, Singing Ayres, and Girl's Glee.

Choir's Volleyball Marathon was held in February to raise money for the Choir tour. This year the tour took the singers to Yosemite to perform and share vocal experiences with other high school choirs and churches.

The annual Christmas Concert was held in the Emma Baumgardner Theatre. The orchestra and all four singing groups appeared.

Choirs from surrounding areas performed at an all day Choral Festival held here in April.

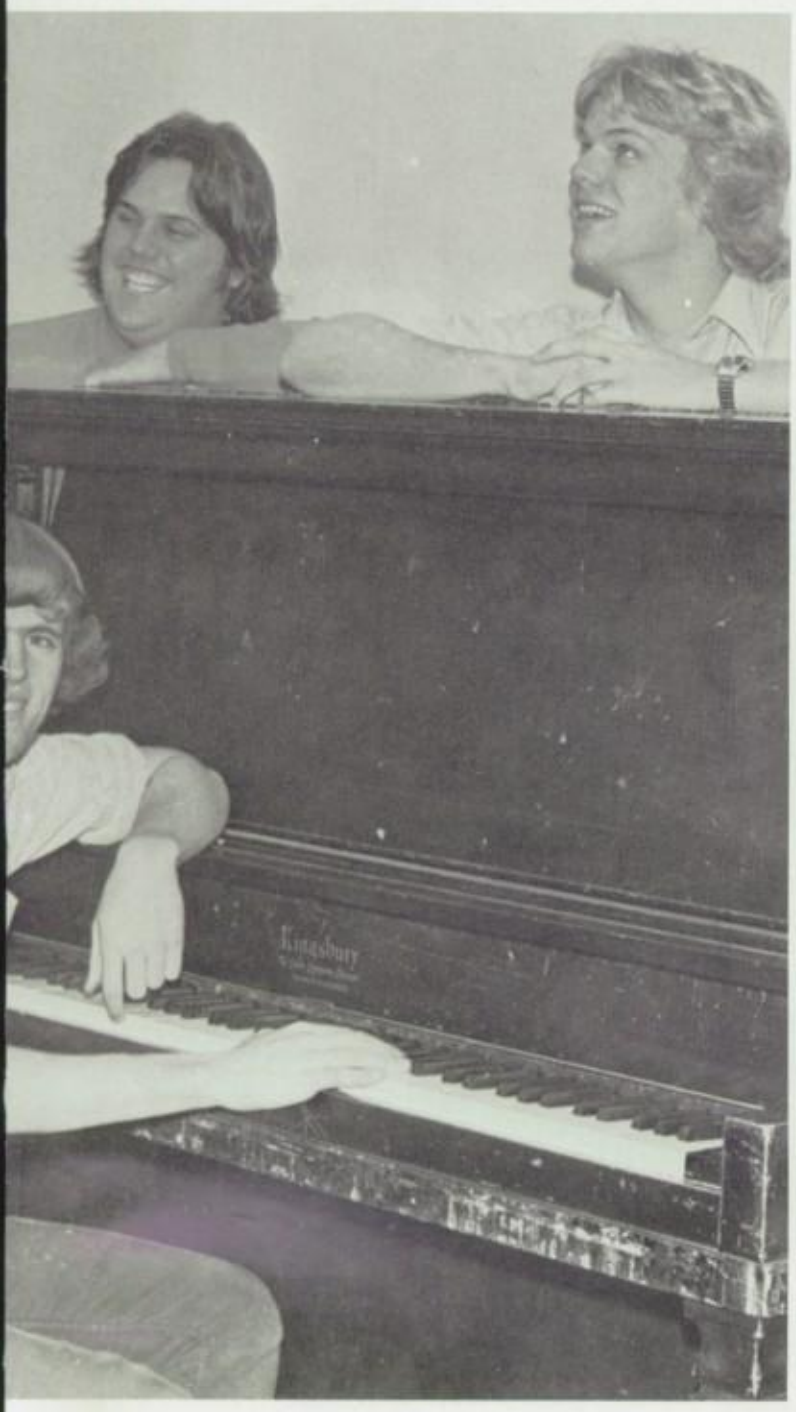
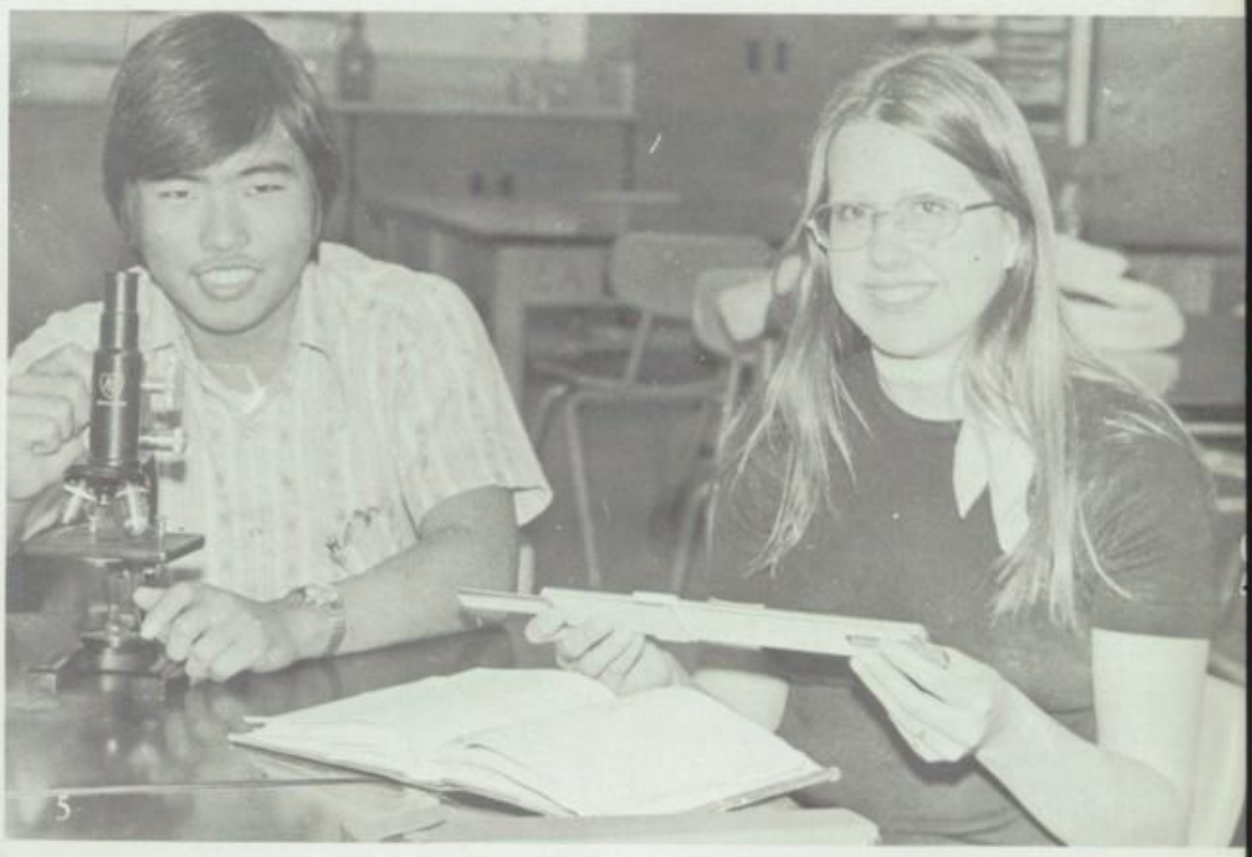
Students named B of A Award winners

Sixteen Tracy High seniors won awards in the annual Bank of America Achievement Contest.

This nationwide program for honoring scholastic achievement will allow the four general award winners to compete for zone and state cash awards.

Students excelling in their field of studies were chosen by their instructors. Decisions were based primarily on scholastic ability, though participation in school and community activities was given consideration.





Outstanding students honored

Special Recognition awards were given to some of the most outstanding seniors at Tracy High. The awards are presented at congress meetings to those students who are in many activities and still maintain at least a 3.0 grade point average.

First winners this year were Student Body President Mindy Yamasaki, and Spanish Club President Virginia Mitchell.

CSF sees "America on Parade"

California Scholarship Federation raised money by working in the concession stands during the Lions Club Tournament. The money was used for a special trip to Disneyland. It was a CSF night and all CSF clubs in the state were invited to attend. Disneyland was open from 8:00 to 1:00 and all rides were free. The members saw "America on Parade," a special Bicentennial parade held this year there.

To become a member of CSF you must earn high grade points on your semester report card. To be a life member and a sealbearer at graduation, you must have five terms of CSF qualification and one of these must be in your senior year.

Home Economics not just sewing and cooking

Future Homemakers of America are Home Economics students.

FHA has been quite active. They sold two kinds of cookbooks, Christmas Holiday and American Cookery to raise money for the club.

During Christmas Vacation they delivered woven bread baskets lined with gingham cloth filled with goodies that they had made, to the Convalescent Hospital.

They began painting the cooking room and have hopes of completing the entire wing by next year. The girls are making curtains, crocheting afghan squares for a Bicentennial blanket.

Key Club Sweetheart wins competition

The Kiwanis Club sponsors Key Club under the direction of the school. This provides a beginning for high school students who would like to be in the Kiwanis Club later.

Any tenth, eleventh, and twelfth grade boy with a "C" average is eligible for membership.

Terri Palmquist was picked as Key Club Sweetheart. Last spring she competed against other Key Club Sweethearts from different schools and won. She attended the homecoming rally and rode in the parade.

Key Club also sponsors annually a fund-raising dance in the spring.

Catering Club cooks for the End Zone

Catering Club, one of the most active clubs on campus, provides students some on-the-job training by serving End Zone dinners before each of our home football games. Whether the team won or lost, the dinners were always winning. The club caters for many special events such as Dedication at the Elks Lodge and SJSA Conference Luncheon. Under the leadership of Mrs. Janet Hill, the club catered at many luncheons, receptions and parties.

All FEAST students belong to Catering Club and Catering Club members belong to HERO, Home, Economics, Reserve, Occupation.

Drama Club plays it up

Drama Club sold candy and worked with the German Club at the Homecoming game to earn money to pay for the reception of opening night of "The Man Who Came to Dinner". Drama Club attended Drama Day at Delta College. Drama Club went Christmas caroling in the downtown area and had a party afterwards.

During Christmas vacation the drama students presented puppet shows in the downtown area. The students made their own puppets, and wrote their own shows. The Drama Club attended plays at Delta College and Manteca High School.

In the spring they went to San Francisco to spend the day and attend a performance at night.

International Students Club is a new club started this year. The goal of the club is to promote increased international understanding via sharing of experiences by international and American students.

The club has a large, involved membership of approximately 45 students, social and fund-raising activities are planned for the entire year. In October the club had a "Rock-a-thon" at Manteca McDonalds in which 25 Tracy High students rocked in rocking chairs for 16 hours. They earned almost $600.

Members worked hard on the "Deport The Tigers" float in the Homecoming Parade. Other activities include a San Francisco field trip planned for December, a basketball concession stand on January 27, a booth on AFS Fun day, and a teeter-totter marathon.

Students go out-of-doors

Backpackers is a new club which started last spring with some very enthusiastic members. They talk about equipment safety, first aid; watch films strips on back-packing, camping in the wilderness, ethics of the wilderness and caring for it.

During their winter and spring camping trips they cross country ski, hike and bicycle their way through the wilderness. They have been to Feather Falls near Oroville, and Tolome Meadows in Yosemite.

Accompanying them has been Bert Post, Bill Davis, Miss JoAnn Foley, Mrs. Evelyn Haulman and Miss Sarah Pender.

Christian Club sponsors films.

Christian Club started their activities by planning a float for the Homecoming Parade, the float was Bible Club's first entry since the club was started two years ago.

Bible Club sponsored a concert and two films, the band in the concert was from San Jose State College. They played for an assembly here at school and at Grace Baptist Church. The movies shown were "The Final Hour" and "The Sunseekers". The concert and movies were given at the Church March 19. Christian Club held a bake sale February 5-6 to help pay for the films and make a Love offering for the band. The band plays for donations only.

Christian Club started reading "Christian Maturity" and "The Rapture: Is It For Real."

Future Teachers on the move.

Future Teachers of America is a small group of students who would some day like to become teachers.

They are not the most active group, but they did have a few field trips planned throughout the year.

They meet on club days to exchange their ideas on what fields of teaching they want to go into.

Speech wins "B" Division

Speech Team again won the Yosemite Forensic League "B" Division Championship for the eighth time in as many years. Bulldog speakers also took second in the high-over-all standings behind Beyer High. This was quite a feat, as our squad was a predominantly Freshmen Team. Under the superior coaching of Ernest Poletti, no other team has ever won the "B" Trophy. Unlike sporting events, Tracy competes in League Tournaments once a month. In these tourneys, twenty-three schools compete for the championship. Tracy has dominated the League for the past several years, which concists of twenty-three different teams.

Star Trex in first year

Star Trex Club is the newest club. It's a small group but they are all interested in the Star Treck television series and in science fiction. In November the club went on a field trip to Berkley to visit Cupertio College. Then in February they went to a convention at the Civic Auditorium in Sacramento. While at the Convention in Sacramento the group sold photos of Star Trek people. To help raise money the club had a car wash.

Auto Club gets cars rolling

Auto Club is open for membership only to those students who are involved in the auto mechanic classes during the school day. There are about 20 members in the club which is advised by Jack Dengelis and Alan Pantle.

The club uses a new Dynometer which is used to test a variety of different functions of the car.

Annually, the club participates in the AFS fun day and also enters a decorated car in the Homecoming Parade.

Quill and Scroll wins third for car

There are two phases of Quill & Scroll, an international honor society and the local chapter. Membership is strictly honorary and there are requirements that must be met. Most of the staff of the school newspaper belong to Q & S and to be on the staff of the S & A. A student must have a 'B' average in English.

Purpose of the local chapter is to promote interest in journalism. The activities include entering a car in the homecoming parade which won a third prize this year and in the spring they participate in A.F.S. Day.

Get down to victory

Theme for Homecoming week was "Get down to victory week," which was picked by the Rally Commissioners Kim Gaines, Lisa Gabbert, Julie Peterson and the Homecoming Committee made up of eight students.

These people are the ones who plan spirit week, homecoming rally, and parade.

Dress up days were Bicentennial Day, Green and Gold Day, Invisible Day, Oldies but Goodies, UFO Day.

Kids started off the week with Bicentennial Day by wearing red, white and blue. Tuesday was called Invisible Day by the students because of a holiday, Veterans Day.

Wednesday UFO Day there was a variety of spirit shown by the students. Some had their faces painted half brown and half green with their pants rolled up to their knees. Then some girls went way out and dressed up as the two headed Martians.

By Thursday the whole school was involved with Oldies but Goodies Day, with the majority of the students body dressing in the mode of the fifties.

Friday Green and Gold Day was the climax of spirit week. Boys and girls wore green and gold football jerseys while decorating the class floats.

Flower parties begin construction of floats

Every year each class picks its own theme for their float, which must deal with the opposing team's name. The freshman theme was "Quit Begging Tigers." On the top of the float was a bulldog on a throne, and a tiger on its knees begging to the king.

Sophomores had the winning float in the Homecoming Parade. The theme of "Beat the Tigers" was depicted with a giant electric beater with a giant mixing bowl. In the bowl were different parts of a tiger. There was a recipe book and a big carton of milk made of paper mache. Juniors' theme was "Blow Up the Tigers". On top of the float was a bulldog blowing up some tigers with dynamite. Seniors placed second with the theme of "Trap the Tigers." On the top of the float was a Bulldog using various means of trapping the tiger. The tiger was made of flowers. Each class enters their float in the parade for competition.

To prepare their float different students have flower parties weeks ahead of Homecoming. There were two kinds of flowers made this year, the regular flowers and pom-pom flowers. On the day of the parade students who had worked on their floats construct the float on campus.

Mimi, Eddie reign at Homecoming festivities

This year the boys were anxious and picked the queen candidates two weeks before homecoming. Seven senior girls were nominated for the honor by Boys Block T. Following the example set last year, Girls Block T nominated seven senior guys as candidates for king.

During homecoming week the senior guys and the Varsity football team voted for the queen, and the senior girls voted for the king. There was much excitement as Ed Heinbockel and Mimi McConaghy were crowned King and Queen.

Seniors lead spirit in Homecoming Rally

As her name was announced Homecoming Queen Mimi McConaghy was swarmed by her friends and crowned by Student Body Vice President Steve Davanis and Ed Heinbockel was crowned Homecoming King by Student Body President Mindy Yamasaki during the Homecoming Rally.

The rally began with the death march of the Tokay Tigers as four Bulldog pallbearers carried in the Tiger casket. Student skits built spirit. Two favored skits were Theresa Del Core's Lilly Tomlin comedy act and Ray Junquiero in glittering costume doing an Elton John musical show. There were also routines by the songleaders and Black Student drill team. Cheerleaders led the spirit contest as the seniors won both spirit and poster awards.

Pleasing parade

Extra supervision and a new route cut out many of the problems that were encountered during last year's parade. The route was shorter, but the crowds were as large with as much enthusiasm.

Floats were constructed the same way they have been in previous years. Classes selected their own themes showing ways to beat the Tokay Tigers. The floats were constructed on campus the day of the parade. The judging was different because the floats were judged before the parade in the parking lot across from the school.

Sophomores won first place for their float with the theme "Creme de Tigers" and seniors came in second with their theme "Trap the Tigers". The Ski Club took first for cars with "Stomp the Tigers".

Clowns added color with their own bright outfits, funny faces, and balloons.

Superior spirit

'Spirit of 76' at football and basketball games was led by cheerleaders and songleaders. The mascots did their stunts to liven up the team and rooters.

Cheerleaders and songleaders went to the University of California in Santa Cruz to participate in the National Cheerleaders Association Camp. The cheerleaders and mascots won the spirit stick on the first night. Songleaders won the spirit stick on the last night and brought home the "Superior Trophy," which is the highest in the varsity division. Our mascots won ribbons for their performances. The Sophomore division received "Excellent" ribbons for final evaluation in the Junior Varsity Division. Freshmen won the "Excellent Trophy."

Bulldogs ramble to winning season

Throughout their 1975 football campaign the Bulldogs showed great poise. They finished with a 6-4 record for the season, but more important they played with outstanding enthusiasm all year long and never let up.

Winning awards went to Carl Dumlao who took home the Peter B. Kyne trophy and outstanding lineman. His twin brother, Earl, received the outstanding back award. While also taking all-league honors, Matt Smith and Joey Ortega were presented the Weeks Cup and most inspirational player awards respectively.

Tracy defense was said to be one of the toughest in the area, giving up only 17 points to Stagg, which was the only time the league champs were held to under 20 points.

With Tracy's grind and pound-it-out offense complimenting the defense, they teamed up to ramble to a winning season.

Pups co-champs

Frosh-Soph football team tied this year for the SJAA League title with Stagg. Our team compiled an 8-2 overall record and a 5-1 in League play. The Team picked three captains they were Leonard Mello, George Wineinger, and Jim Dunkel. They also picked Best Back-John Morehouse, Best Lineman-George Wineinger, and Most Improved-Jim Dunkel and Kevin Toon.

Tail-Back John Morehouse broke the Bullpup scoring record with 105 points and he also ran for 1,192 yards ranking third in Bullpup record books. The Team scored the most points in the league while allowing the least points. They outscored their ten opponents by a 278-83 margin.

Soccer Varsity B wins championship

The game the soccer team won against Ripon Christian had the biggest difference in points in the season. Four Tracy players made it to the all league team. The players were Knute Tofte, senior forward, Brad Strong, senior; and halfback John Maddox, freshman.

Varsity "A" Team came in fourth place in the San Joaquin Athletic Association with an overall record of 10 losses, 10 wins, and 3 ties. According to Bill Davis, coach, they had a pretty good year. The Varstiy "B" team won the San Joaquin Athletic Association Championship for 1976. They were invited to Coos Bay, Oregon on April 6 for five days to play Marshfield High School.

Bulldogs sweep League

Bulldog varsity basketball team had a very satisfying season finishing with a 20-6 record and also capturing the SJAA league for the first time in school history. The team took first place in our Lions Club Tournament. They also finished third in the Stagg Tourney. Ron Nunley taking MVP in Lions Tournament and leading scorer in the Stagg Tournament. Mark Mahan and Leonard Elam making all tourney with Nunley in Lions Tourney. In SJAA rankings Nunley was voted MVP accompanied by Matt Smith on first team. Mark Mahan and Leonard Elam making second team with Joey Ortega getting an honorable mention. Tracy has gained the right to participate in the Sac-Joaquin Section play offs, but results are yet to be known. This team has done a fine job moving the ball and always kept hustling all through their fine season.

Frosh almost win it all

Frosh basketball almost took the Sa Joaquin Athletic Association Championship but lost to Lodi. They had an overall record of fourteen wins and four losses. The Game with the biggest difference of points was the game against East Union at Tracy it was a difference of 34 points.

According to Coach Kruse, Glicerio Yniquez was the top player followed by John Morehouse, Steve Spencer and Brian McDonald.

They played East Union, and Turlock in the Manteca tournament and won both.

Baseballers show more pride

This year's Baseball teams started a different style. During the first two weeks all three teams practiced basic fundamentals. Then the Varsity, Sophomore, and Freshman teams split up and began to practice as three separate units. The teams showed a lot of spirit and potential to play some good ball games contrary to the past years. They are coming out to win some games. New head coach Steve Lopez has generated new spirit lost in dismal former seasons. This also holds true for Frosh-Soph coach Jeff Hodges and Freshman coach Harry Guzman.

Girls' interscholastic sports expands to six teams

Girls interscholastic sports is a new program which offers competition between other schools in the San Joaquin Athletic Association. The girls had many difficulties to overcome. There was no money allotted in the budget; some money had to come from part of the school.

This problem was solved when the district granted the proposed budget of $10,000 in accordance with the new state law requiring equal opportunities for girls.

Girls interscholastic sports program is off to a great start. The girls now have six sports started and a total of nine sports are expected to be offered sometime in the future. The six sports offered include tennis, basketball, baseball, swimming, gymnastics and track and field.

Softball had its first game early in March. Bert Post coached. He predicted a good season for the girls.

Girls interscholastic swimming was not too successful this year. Five teams dropped out of the S.J.A.A. league leaving only Tracy and Edison. Tracy and Edison girls swimming teams had two meets with Tracy winning one and Edison winning the other.

Soph Powderpuffs come out on top

Sophomores are the best! This was the cheer heard throughout the sophomore class after they defeated the seniors in the second annual girls Powderpuff football game. It started with the freshmen and sophomores playing November 21 and the sophomores winning with a score of 28-0.

Afterwards the seniors beat juniors with a score of 14-0. The final game between the sophomores and seniors was played November 26 during the halftime of the Kiwanis Farmer-City Game with the score sophomores 6, seniors 0.

Track and Field, Gymnastics just started

Track and Field and gymnastics are the newest sports in the girls interscholastic sports program.

Track and Field includes running and jumping hurdles. There was a large turnout with an enrollment of about 30 girls. They will compete in a few meets but will not be officially in the league until next year. Their coach is Sharon Dell'Osso.

Gymnastics will not compete until next year. Gymnastics will be receiving new equipment. Some of the new equipment include the regulation beam, the vault, and a landing crash pad.

Girls battle on in Afterschool Sports

After school sports is open for any girl willing to participate. There is competition between the different grade levels. The girls earn points every time they attend. With these points they earn awards and membership in Girl's Block T.

Some of the sports included in the after school program are bowling, softball and volleyball. In bowling, the championship team, the Double Bubble, consisted of Marilyn Lewis, Stephanie Lee, Debbie Bortz and Rita Lopez.

Ann Robeson won the highest official series and highest official games. Gerianne Costa had the highest average and Diane Costa was voted the most improved bowler.

People lead school

Biggest event on the School Board was the decision to have P.E. optional for seniors in the fall of '76. If it works all right the juniors and seniors could have P.E. optional in the fall of '77. Trustees also adopted a policy of equal opportunity for girls in sports, denied a smoking area for students on campus. They proposed an educational audit of the full program which includes K-12 grades, the adult school, business and maintenance.

Main goals of the administration were to promote an environment of trust through practicing positive human relations, to maintain discipline, to determine what the teaching staff, parents, and students see as the kinds of services the counseling staff can provide for them and to further improve relationships.

Ag students visit businesses

Meat processing, power mechanics, farm management, vocational welding and even a small animals class are some of the many classes taught in agriculture.

Ag classes go on many field trips during the school. Meats classes visit large packing houses. Kent Gordon's resources and wildlife class went to Monterey on a deep sea fishing trip, and welding classes go to large metal shops.

Other places visited by classes are San Joaquin Valley Hay Growers Association and the Cow Palace.

The ag department bought a used bus to supply their transportation.

Student store expands

Student Store opens new areas! The Student Store, a big part of business education, has expanded by adding cosmetics, a bigger clothes rack, more plants, a bigger selection of records and tapes, and many other small artifacts to the selection of candy and school supplies.

Business education offers interested students an opportunity to learn about the requirements and opportunities for clerical and business occupations. Business Education is one of the few fields in which a student has the opportunity to quality for an interesting and rewarding occupation immediately after graduation.

Students may select random courses in business education, or may take work leading to secretarial, clerical, merchandising, or accounting.

Sub-gym, new equipment improves boys' P.E.

Boy's new sub-gym was completed. The boys' sub-gym featured much needed storage area and six new baskets for basketball.

Boys physical education program was improved by the new equipment they received. New equipment given by the Kiwanis Club for weight training classes enabled the students to build up their leg and arm muscles more fully.

Other new equipment included mats for tumbling and billiards, table soccer, shuffleboard along with a bicycle exerciser in the modified B.P.E. class.

Individual, team sports; new electives for girls

New teachers in girls' physical education are Miss Susan Ergas and Mrs. Cathy Rodriquez. Miss Ergas and Mrs. Rodriquez at twenty-three are the youngest teachers at Tracy High School. Miss Ergas teaches all-year dance including social dances, the bump, rumba, modern folk, Hawaiian and tap. Boys were invited to come for the girls needed partners. Mrs. Rodriquez who teaches gymnastics was a long term substitute for Miss Betty Adams.

New electives included individual or team sports. The girls play in team or individually. Flag football and recreational games were offered for the first time in Co-ed P.E.

New legislation allowed the School Board to rule that P.E. would be optional to seniors starting in the fall of 1976.

Building, honor classes, new in English department

English department acquired three new classrooms this year in the Hawley-Westlake Building. Each room has air conditioning, carpeting, built-in cabinets, and chalkboard walls.

Three honor classes were started for students who wanted an academic challenge or better preparation for college. Honor classes were English I, taught by Robert Bennetts, chairman of the department, English II taught by Mary Foster, and advanced composition taught by Dorothy Slaton.

Miss Nancy Ritter, a new English teacher, started her first full time teaching job. She graduated from San Francisco State. She taught freshmen and sophomores.

Mrs. Dorothy Slaton, who has been in the English department longest, has been teaching here for 33 years. Before that she taught at Fall River Joint Union High School and in Rio Vista. She taught English I to freshmen and electives to juniors and seniors this year.

Foreign language, fun, useful

At Tracy High students can learn Spanish, French, and German. Mrs. Maria Mitchell, chairperson of foreign language department points out it is fun to speak a foreign language, it is useful when you are looking for a job, and most universities require at least two years of foreign language at high school level.

In the foreign language classes students learn about the people of other countries, their customs, festivals, and traditions.

Activities in learning a foreign language include; films, field trips, going to plays, dinners, parties, reading magazines from other countries and ..... HOMEWORK.

1 Kristy Whitmire, Janet Overstreet studying French. 2 Rick Stass at foreign language lab controls. 3 Getting ready for the show, Don Bisbee sculpts Bruce Long's face. 4 Banner girls Diane Lewandowski, Becky Mohrman, Solo Twirler Jeanie Serpa hold the bank mascot.

Fine arts moved to new buildings

Fine arts moved to the new Emma Baumgardener building.

Art, orchestra, band, choir, drama, and speech, are among the classes offered by the fine arts department.

Art department displayed an art exhibit in Wadsworth Memorial Library for one month. They also painted bathrooms and trash cans in red, white, and blue to celebrate the Bicentennial year.

Drama's first play was "The Man Who Came To Dinner." They celebrated the grand opening of the Emma Baumgardner Theatre. They attended a theatrical convention in Santa Rosa, all Delta College productions and all Manteca High School productions. They also went to San Francisco to watch the filming of "The Streets Of San Francisco". They attended Delta Drama Day. To make extra money they sold candy.

Public Speaking has been attending speech tournaments. This class helps students to talk with poise in front of large crowds.

Choir and Singing Ayres performed in concerts at New Jerusalem and Jefferson school during the year. They also performed at the annual Christmas Concert. They held their yearly volleyball marathon in January.

Changes improve home economics department

Miss JoAnn Foley is the new teacher for home economics. She is from University of California Davis and is 24 years old. She teaches several food classes. To improve her home economics background, she made a trip to Europe to study international foods.

Two of the electives offered by home economics is bake shop and decorative foods. Bake shop involves making bakery type foods. Decorative foods deals with decorating and preparing food more provocatively.

Home economic's buildings have been given a face lift. The buildings have been painted and curtains have been made by home economics classes.

Museum, greenhouse benefits science

New facilities have increased the efficiency of science department. A greenhouse and a science lab are some of the new features for the new Hawley Westlake Building. Science department plans to have a natural history museum containing plant and animal specimens.

Zoology, botany and nature study are the new electives offered by the science department. Zoology is the study of animals involving dissection of animals including sharks. Botany is the study of plants including growing specimens and knowing the different plants. Nature Study deals with how animals and plants fit into the environment including dissection as well as research work.

Science department offers honor classes for students who want to go further in the field of science and for a better preparation for college.

Scores higher for reading

According to last year's test results students at the twelfth grade level have shown improvement in all areas, their best is in reading. A portion of the reading score improvement may be ascribed to the expanded reading laboratory programs which began in 1972.

All members of the reading department which include Mary Landis, department chairperson, Diane Ciarlo, Robert Peckler and Steve Donahue attended the San Joaquin Reading Association Conference held at the University of the Pacific. New ideas and techniques in teaching reading were presented by Dr. Walter Loban, Dr. James Moffett and others well known in the field of reading.

Ms. Landis serves as a board member in the San Joaquin Association of Reading. Ms. Ciarlo and Ms. Landis traveled to Fresno last November to attend the California State Conference in Reading. Keeping abreast with both current and new techniques in reading is a major item reported by the R.I.S.E. commission.

Special Ed. planned trips

Learning Opportunities went on a few trips, one was to the Santa Cruz Mountains to see the Narrow Gauge Railroad. They toured Deuel Vocational Institute, and they camped for a week at Yosemite. Compensatory Education traveled to Sacramento.

Conversational English is a new class taught by Mrs. Sigrid Reiner. She teaches English to non-English speaking students.

In Compensatory the students receive special bi-lingual and bi-cultural training to increase their ability to succeed after high school. Many students come from other countires speaking no English.

Workload increases for support services

With an increase in the number of students eating lunch at school the cafeteria workers needed more help. They hired three more people raising the total number of workers to 18. The cafeteria continued the free or reduced price lunch program to help low income families.

Custodians, maintenance men and Groundsmen are busy this year with an extra workload due to the new buildings and remodeling of the West building, they're in need of warehousemen as the warehouse was moved to the West building. Maintenance shops were put in the West building.

The District Library was moved from El Portal to the West building, the West building also has night facilities.

Around the new buildings they put in cement sidewalks and landscaping.

Our country had many national news items, the most interesting of which were, the capture and trial of Patty Hearst, C.I.A. and F.B.I. investigations, President Ford's trip to China, a visit from Emperor Hirohito, Angolan trouble, and the Presidential primaries.

The whole town was involved in celebrating the Bicentennial year and Tracy was named a Bicentennial community. The Freedom Train and the de Anza Expedition came through Tracy.

Tracy Varsity Bulldog basketball players won the SJAA championship and the Lions Club Tournament. Interest in girls' sports soared as five new interscholastic teams were formed raising the problem of financing them. Students attended classes for the first time in the new buildings. Speed bumps were put in and a smoking area was turned down by the school board. The high school carried out a Litterbug Blitz '76 program and parents were called on to help with a campus disturbance. Snow hit Tracy and caused much excitement on campus.
